RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In the Restriction Requirement mailed June 20, 2004, the Examiner required a restriction in the above-identified application to one of the following groups of inventions:

Group I - Claims 1-16, 18, 19, 26, 29-46, 51, 52, 54, 59 and 60

Group II - Claims 17, 20-25, 27, 28, 47-50, 53, 55-58 and 61.

In response to the Restriction Requirement, Applicant elects the claims of Group II for examination in the above-identified Application. This election is made without traverse. However, Applicant draws the Examiner's attention to the fact that Claims 26, 29-41, 51, 52 and 54 which the Examiner has included in Group I are all dependant from claims that are included in the claims of Group II. Accordingly, applicant respectfully submits that Claims 26, 29-41, 51, 52 and 54 should be included in the Claims of Group II and that the only claims remaining in Group I are Claims 1-16, 18, 19, 42-46, 59 and 60. Further, Applicant notes that all of the claims in Group II with the exception of Claim 61 are all dependent claims. Applicant reserves the right to file one or more divisional applications including the claims of Group I and any claim in Group II that depends from a claim in Group I.
